

STUDENTS

7:50 School Admissions/Eligibility for Services

Special education services shall be available to identified children with disabilities between the ages of three (3) and twenty-one (21) years who are enrolled in the Member Districts. The special education student who becomes twenty-two (22) years of age during the school year shall be allowed to finish the school year.

Unless otherwise determined by a student's IEP team, the student who has successfully completed a secondary program shall be granted a diploma by the student's resident school district and all eligibility for public school education, including special education and related services, is terminated.

Certificate of Completion

A student receiving special education services through the cooperative may also be eligible to receive a certificate of completion from the student's resident district and to participate in the graduation ceremony of the student's high school graduation class.
